

## STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF WATER RESOURCES

## License for Diversion and Use of Water

LICENSE 1570

PERMIT.\_\_\_\_\_1414\_\_

APPLICATION\_\_\_2950\_

THIS IS TO CERTIFY, That Dolta Forms Reclamation District No. 2024 of

Brentwood, California.

bas made proof to the satisfaction of the Division

of Water Resources of California of a right to the use of the waters of (1) Old River, (2) Indian Slough,
and (3) an unnamed dredger cut in Contra Costa County

tributary of San Joaquin River

for the purpose of irrigation use under Permit 1414 of the Division of Water Resources and that said right to the use of said waters has been perfected in accordance with the laws of California, the rules and regulations of the Division of Water Resources and the terms of the said permit; that the priority of the right herein confirmed dates from 317 28, 1922:

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed twenty-seven (27) subject per second from about March lat to about Movember let of each season. In case of rotation the equivalent of such continuous flow allowance for any thirty day period may be diverted in a shorter time if there be no interference with other vested rights.

The point of diversion of such manufacture movable along the shore line of Reclamation District No. 2024 in Sections 17, 18, 19 and 20, T 1 N, R 4 R, M.D.B.&M. and Sections 14, 23 and 24, T 1 N, R 3 E, M.D.B.&M. as shown on the map entitled "Greeod Tract" filed July 28, 1922, with the Division of Water Resources, then Division of Water Rights.

A description of the lands or the place where such water is put to beneficial use is as follows:

2159.318 acres in Sections 13, 14, 23 and 24, T 1 H, R 3 E, and Sections 17, 18,
19 and 20, T 1 H, R 4 E, M.D.B.AM. within the boundaries of Reclamation District
No. 2024 known as Orwood Tract, as shown on map entitled Orwood Tract filed July
28, 1922, with the Division of Water Resources, then Division of Water Rights.

As there is a possibility that there will not be sufficient water in the sources named during the latter part of the irrigation season to satisfy all requirements, this license is issued subject to the express condition that diversions thereunder may be regulated by the Division of Water Resources during such periods of water scarcity to the end that the exercise of this license will not interfere with rights under prior applications.

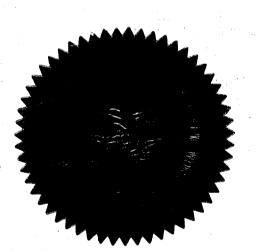

In accordance with the provisions of Section 42 of the Water Commission Act, nothing herein shall be construed as confirming the right to use more than two and one-half (2) acre feet of water per acre in any one year in the irrigation of uncultivated areas of land not devoted to cultivated crops.

The right to the diversion and use of the water aforesaid hereby confirmed is restricted to the point of diversion herein specified and to the lands or place of use herein described.

This license is granted and said appropriator takes all rights berein mentioned subject to the terms and conditions set forth in Section 20 of Chapter 586, Statutes 1913, which is as follows:

conditions set forth in Section 20 of Chapter \$86, Statutes 1913, which is as follows:

Sec. 20. All permits and licenses for the appropriation of water shall be under the terms and conditions of this set, and shall be effective for such time as the water actually appropriated under such permits and licenses shall actually be used for the useful and beneficial purpose for which said water was appropriated but no longer; and every such permit or license shall include the numeration of conditions therein such said provides of the section and likewise the statement that any appropriator of water, to whom said permit or license may be issued, shall take the same subject to such conditions therein expressed provided, that if, at any time after the expiration of the state shall have the right to purchase the world may be issued, shall take the same subject to such completely under the completely appropriator of water, to whom said permit or license may be issued, shall take the same subject to such completely under the completely appropriated water district, irrigation district, lighting district or political subdivision of the state so desiring to purchase the world may be such as the same subject to such said owner of said works and propertical water district, irrigation district, lighting district or political subdivision of the state so desiring to purchase and the determined in eminent domain proceedings. If it shall appear to purchase sprice, and prior shall such manner as is now or any hesselfer be determined in eminent domain proceedings. If it shall appear to purchase sprice, and prior shall such manner as is now or any hesselfer be determined in eminent domain proceedings. If it shall appear to purchase sprice, and prior shall such as a single shall be purchased to purchase sprices of the state of purchase springs. If it shall appear to purchase springs and prior shall commission, after any such as a single shall be considered and poen to further appropriation proceedings. If it is also application of the s
